Help us to save the Whittington Hospital Accident and Emergency, Maternity, Paediatrics and Trauma services with a

Day of Action on Thursday 29th April 2010

Despite our huge demonstration and thousands of names on our petitions, NHS executives could still close our A and E, maternity and children's services.

Our day of Action, a week before the General Election, will help to tell the NHS and the Government that we want to keep all our hospital services in North London:

- **12- 2pm A rally outside the Whittington Hospital** –please bring friends and delegations from work
- **You can organise local activities at work or in your area** – eg you could twin with a ward or hospital department, take photos and send to us/local press (please let us know what you arrange); wear fancy dress -eg bandages, etc
- **And in the evening** the Islington Trades Union Council are hosting **a hustings** for local political candidates focussing on the People's Charter (details to follow)

Please join us and help save our NHS!

22nd April Evening Meeting for all Whittington Hospital workers at Archway Methodist Hall, Archway Roundabout.
